LOCAL MATTERS.

WEATHER PROBABILITIES, JUNE 10, 1882.
 For the Middle Atlantic States, partly cloudy weather, light local rains, winds mostly from northeast to southeast, stationary or a slight fall in temperature.

THE WASHINGTON AND WESTERN R. R.—CHANGES, &c.—The Directors of the Washington and Western Railroad Company have held several meetings of late at which some important changes in the management of the road, most of them going into effect today, were agreed upon. It was stated in yesterday's Gazette that Mr. R. H. Havener had resigned his position as Superintendent of the road and that Mr. Hector McLean would be appointed to fill the vacancy. Mr. McLean, who entered upon the discharge of the duties of Superintendent of the road this morning, is a Nova Scotian by birth, but comes here from North Carolina, where he was engaged as superintendent of construction of the North Carolina and Western Railroad. He also superintended the construction of the Charlottesville and Rapidan Railroad. Mr. E. J. Werner, of New York, has also entered upon the discharge of the duties of Secretary and Asst. Treasurer of the Company, the office heretofore held by Mr. James Evelyn, and will have the general management of the business of the road in this city. The position of Road Master, held by Mr. Thomas Reese, has been abolished, and Mr. C. R. Magilton, of New York, has been appointed train dispatcher and general storekeeper, which includes all the duties of the road master. Mr. D. W. Nicholson, of North Carolina, has been placed in charge of the construction department. Mr. Alexander Snyder, of North Carolina, takes charge of the books of the company in this city. Mr. C. F. Lee, Jr., resigned. Mr. E. O. Robins, of New York, has been appointed General Freight Agent for Alexandria. Mr. H. B. Oliver will be retained as Freight Agent, but the positions of Clerk and Messenger, held respectively by Al and Joseph Glover, have been abolished. Thirteen employees in the shops have been put off, and their places will be filled by four new men. Mr. Dunn will be retained in his present position as Master Mechanic. Some other changes, not yet fully agreed upon, will be made. Mr. McLean says the road will be conducted in strictly business principles, with a view to making money if possible and accommodating the business and traveling public. To this end close connections will be made with Washington in freight business, so that goods will not be detained here 24 hours. Every inducement will be offered for freight and passenger business. Passenger rates will be materially reduced.

A corps of engineers has been organized, and the extension of the road to Winchester, the first objective point, will be commenced at once. The newly organized engineer corps, with Major W. J. Wharton, chief engineer, R. C. Lee principal assistant, and J. C. Dorsey one of the party, the two latter of this city, will start out on the road Monday next.

The new superintendent of the road, Mr. McLean, and the new Secretary and Treasurer of the Company, Mr. Werner, are most devoted gentlemen, and we bespeak for them a cordial welcome to the city.

THE REFORM CLUB—THE "SPOTTER" QUESTION AGAIN.—Rev. Mr. Forsythe, Presiding Elder of the M. E. Church, did not speak at the meeting of the Alexandria Reform Club last night as was expected. Frank Wood attempted to have the resolution appointing "spotters" repealed on the ground that such action was contrary to the by-laws of the club. In this he failed, but succeeded in bringing on a discussion of the matter. The member stated that the predicted inquiry to the club had not yet come, as no body had withdrawn. Wm. Brown said those opposed to the "spotter" business did not intend to withdraw and leave the Good Templars in charge, but he did know at least forty good members who had lost interest and remained away from the meetings. As for himself, if he intended to violate his pledge, which he hoped he would never do, he would not go to Washington. He was asked to further talk the question. After some further talk the question was dropped. Mr. L. C. O'Neal, who was recorded on the minutes of the club as opposing the repeal of the "spotter" resolution, has had the same corrected for the reason that he did not vote for the resolution originally, and did not oppose its repeal.

THE MARKET.—The market this morning was largely supplied with vegetables and other articles. There was a good attendance of both sellers, including many from Maryland, and buyers. Notwithstanding the plentiful supply, prices continued high. Potatoes sold at 50c per peck, old potatoes 40c per peck, cabbage 10a15c per head, green peas 20c per peck, tomatoes 20c per bush, cucumbers 50c per dozen, beets 5a8c per bunch, rhubarb 3a5c per bunch, cauliflower 15a20c per bunch, string beans 60c per bush, strawberries 10a15c per box, egg plants 10c per dozen, butter 20a25c per pound.

now some forty buildings under the hands of artisans, and it is thought that 1882 will show nearly one hundred new buildings. Besides the three-masted schooner now building here for Baltimore parties, and largely employing Baltimore workmen, as heretofore mentioned in *The Sun's* local columns, the keel of another large vessel is to be laid in a few days at another shipyard just re-established. The Potomac Manufacturing Company is putting its iron works upon a solid basis, with promise of large expansion and there is a well-founded expectation that the work of building iron ships may be begun here at an early day. The employees of the city are paid punctually, and the interest on the compromise debt is never a day overdue. The river-front already shows an improved face, which is an index of the improved condition of affairs generally. —*Conf. Baltimore Sun.*

RELIGIOUS ITEMS.—VISIT OF BISHOP KEANE, &c.—Rev. J. J. Keane, Bishop of Richmond, arrived in this city today, and will confirm a class of about 125 persons, 30 of whom are adults, in St. Mary's Church to-morrow morning. The services in the Church to-morrow will be as follows: Mass at 6 a. m., by Rev. Father O'Keane; Mass and confirmation at 7 a. m., by Bishop Keane; High Mass and sermon at 11 a. m., at which the Bishop will be present and probably preach. Bishop Keane will administer confirmation at Fairfax Court House on Monday, and at Falls Church on Tuesday.

Rev. Mr. Willoughby, of New York, brother of Judge Willoughby, of this city, will preach in the First Presbyterian Church to-morrow at 11 o'clock.

To-morrow will be annual Children's Day at the Methodist Episcopal Church, in this city. The church will be beautifully decorated. At 11 a. m. the pastor, Rev. Dr. Poulson, will deliver an address on the "Importance of Training Children," and the Sunday School will lead the singing. At 3 p. m. the regular anniversary will be held, with singing and speaking by the children. There will be organ and cornet accompaniment. At 8 p. m. the pastor will preach on "Spiritualism."

Rev. Dr. O. F. Flippo, returned from Norfolk this morning, and will occupy the pulpit of the Baptist Church to-morrow morning and night. A Sunday School Missionary meeting will be held in the M. E. Church, South, to-morrow afternoon. An interesting programme of exercises has been arranged, consisting of recitations and music by the children. The choir of the church will also render several selections.

QUEER PEOPLE.—Rev. Dr. Poulson, by special request, will deliver his famous lecture on "Queer People," in the Methodist Episcopal Church, on Wednesday evening next, the 14th inst. A Baltimore paper speaking of the delivery of this lecture before the Y. M. C. A. of that city said: "Mr. Poulson brought out for inspection the many kinds of queer people in the world, and discussed for an hour and a half there many eccentricities and narrated many very amusing incidents and illustrations. The lecture was very able, instructive and exceedingly humorous."

RIVER TRADE.—Inspector G. W. Hawhurst reports the following arrivals at the river front:
 Schooners: Pinta, Murphy; Mary Lockley, Insley, and barges Wood, M. W. Woodmaster, C. H. Burdick, Kirk, from Philadelphia, coal for W. A. Smoot. Schrs. River Queen, Wilson, Havre de Grace, coal to T. J. McHaffey & Co.

W. C. T. U. MEETINGS.—A public meeting of the W. C. T. U. will be held Monday at 4 p. m., in the Reform Club Room. Mrs. Freeman, of Washington, is expected to conduct the Gospel exercises. Miss Julia Balch, daughter of the late Dr. Balch, of Georgetown, will give readings appropriate to the occasion.

PERSONAL.—Mr. Jerome S. Mosely, of Syracuse, N. Y., was in the city today looking for a suitable building to start the manufacture of machinery. He was surprised to find rents so low here and is very much pleased with the business outlook.
